

Olympia Unit School District No. 16 **Elementary Back to School Parent Orientation**

Welcome Back! On behalf of the Board of Education, Administration, Faculty, and Staff, I would like to take this opportunity to invite each family of the Olympia School District to our *Back to School Parent Orientation Night*.

Your participation will help to fulfill a key part of the Olympia Mission Statement, which reads:
“The Olympia Community inspires, educates, and challenges each student to achieve personal success.”

This special event is designed for all parents/guardians to attend an informative orientation session. I believe that the Parent Orientation session is very important because it provides a time for parents/guardians to meet the teachers, acquire important information about the school year, and become familiar with the elementary facilities.

See for yourself how and why Olympia students are *achieving personal success!*

Sincerely,

Brad K. Hutchison

Superintendent of Schools
