---

July 2010

Dear Parents/Guardians:

We hope that you and your family are enjoying your summer. The start of the new school year is approaching quickly and it is time to begin preparing for registration. Registration for the 2010/2011 school year will be done on-line for the first time this year. We hope you will find this new process to be more convenient. You may register your student(s) through Family Access on the Olympia website. An announcement and informative article can be found on the district website as well as your school's last newsletter of 2009-10.

Please note that students new to Olympia cannot be registered on-line. New students must be registered for school on Monday, August 9, 2010 from 1:00 – 7:00 PM. New Student Registration will be held at the elementary school.

In accordance with state law, we are also notifying you of the state on-line Sex Offender Registration Information website located at: <http://www.isp.state.il.us/sor/offenderlist.cfm>.

Information on the State of Illinois "All Kids Healthcare" program is now available. This is a state healthcare program for uninsured children in Illinois. Information on this program is available at the school or online if you are interested. [www.allkidscovered.com](http://www.allkidscovered.com)
